

2026 CRMC Golf Classic

We invite you to be part of a tradition that goes beyond the fairway—an opportunity to make a meaningful impact on the lives of patients in our community.

The 2026 CRMC Foundation Golf Classic will be held at Southern Hills Golf Course, offering a premier setting for two days of outstanding golf and community support. Morning and afternoon flights will be available, providing flexibility for teams and sponsors.

Proceeds from this year's tournament will benefit the CRMC Foundation's Patient Assistance Funds—providing critical support to individuals and families facing cancer, heart disease, and other serious health challenges.

Tournament Highlights Include:

- Professionally managed play with limited flight sizes
- Complimentary meals, beverages, tournament shirts, and door prizes
- On-course competitions including Closest to the Pin, Putting Contest, Golf Ball Launch, and a \$20,000 Hole-in-One Challenge

As our signature fundraising event, the Golf Classic plays a vital role in ensuring that every patient, regardless of financial circumstance, has access to exceptional care close to home. Join us as we come together to make a difference, one swing at a time.
